

Attestation for E1

The Fraunhofer-Institut for Wood Research-, Wilhelm-Klauditz-Institut (WKI), Bienroder Weg 54E, D-38108 Braunschweig, attests to the company:

ALPI S.P.A.
Via Provinciale, 34
47015 Modigliana
Italy

that the external supervision in terms of the emission of formaldehyde of

ALPILIGNUM-veneer

by continuous surveillance of factory production control and testing of emission by random samples according to the DIBT-Guideline 100 dated 1994 is accomplished. The external supervision is agreed by the contract. The requirements of German Prohibition for Chemical Products – "Chemikalien-Verbotsverordnung" – annex § 1, para 3, dated 1996 in relation with the publication of the Federal Health Office in the journal "Bundesgesundheitsblatt" dated 1991 are fulfilled. This attestation is valid until the next continuous surveillance of factory production control. A survey contract with register No. 201 dated 16.5.1995 exists.
