INNOVATING AUSTRALIAN AMENITIES

Impervious to water and providing outstanding scratch resistance, NAVCOMPACT™ delivers unprecedented design possibilities for commercial applications.

Available in 24 NAVURBAN™ and NAVURBAN DIAMOND FINISH™ embossed, matte colours. NAVCOMPACT™ is a compact laminate product range with revolutionary surface technology that's redefining wet area projects in Australia.

A pre-finished product, ready for immediate fabrication, NAVCOMPACT™ features a contemporary black core and a thickness of 13-millimetres (mm).

Features

- Supplied ready to fabricate (pre-finished board)
- Consistent colour and grain over the entire range
- Scratch and abrasion properties
- Stain and water resistant
- High levels of ultra-violet (UV) resistance

Applications

- End of Trip Facilities
- Toilet cubicles and partitioning
- Lockers
- Semi-exposed alfresco areas

Horizontal or Vertical Application

The above image shows a NAVCOMPACT horizontal two piece dividing panel with an adjacent vertical grain frontal panel. If you choose NAVCOMPACT for your divisions there will be a discrete horizontal join.

Want more privacy when using A public bathroom?

Privacy is vital in any bathroom, and with TPI toilet and shower partition systems we provide TPI's Patented Modulux® Total Privacy Solution as an optional extra. TPI's Modulux Total Privacy Solution completely eliminates the door gap and blocks line of sight from outside to inside the cubicle. TPI would highly recommend adding TPI's Patented Modulux® Total Privacy Solution to unisex toilet and shower cubicles to add extra privacy. TPI's patented Modulux® Total Privacy Solution is available in NAVCOMPACT. TPI's patented Modulux® Total Privacy Solution, Patent No. 200910785.
