

## NAVSHAKER™

# Our Solution to a Flawless Shaker

Create a space defined by the art of the shaker profile with the revolutionary NAVSHAKER™ design, crafted for ease of application and seamless lines. Featuring a 22mm rail system, NAVSHAKER™ is available in packs of either 20 or 30 rails at 3600mm lengths each, ready for you to create the ultimate shaker profile. Simply, pair the rail packs with finished boards from our standard pressing offer, CNC the boards and slide the rails on to complete a flawless shaker. More technical information is available on our website, under Technical Advice download.
