NAVURBAN Wall™ is a specially designed wallpaper product with an advanced and durable embossed olefin film finish to add a timber element within every space. Proudly designed and manufactured in Australia, NAVURBAN Wall™ is not just a product; it's a revolution in interior design. NAVURBAN Wall™ designed from the acclaimed NAVURBAN™ and NAVURBAN DIAMOND™ finishes with a wallpaper-lined backing that's nothing short of extraordinary. Ensuring superior quality in the form of wallpaper rolls. Choose from a palette of meticulously curated décor colours to harmonise with your vision.

Technical & Design Advantages

NAVURBAN Wall™ offers consistent grain structure and tones across the wallpaper rolls. With the NAVURBAN™ and NAVURBAN DIAMOND™ finishes, ensure seamless connections between joins across a large surface area. Scratch and abrasion resistance, as well as UV, stain, and water resistance the NAVURBAN Wall™ offers the ultimate surface finish.

Grain Direction

NAVURBAN Wall™ is finished with the NAVURBAN™ and NAVURBAN Diamond™ decors with the grain running vertically along the roll.

Guarantee

New Age Veneers Pty Ltd guarantees the intrinsic qualities of NAVURBAN Wall™. Although, NAVURBAN Wall™ finishes have been tested for up to 2000 hours of UV exposure, discoloration due to exposure to sunlight and ultraviolet rays cannot be considered a material defect. In the event of any dispute, the guarantee and liability of New Age Veneers Pty Ltd is limited to the replacement of any material shown to be defective. New Age Veneers Pty Ltd reserves the right to discontinue any designs or products without notice at any time.

Maintenance

The NAVURBAN Wall™ surface is easy to clean using a cloth dampened with warm water and detergent. If in doubt about a particular cleaner or detergent, check with its manufacturer for the suitability. We recommend you test on a small area or sample prior to applying to the surface. Avoid the use of acetone or trichloroethylene for cleaning purposes. Use of abrasive cleaners, powders, scouring pads, steel wool, sandpaper etc. can damage the finish and make the surface susceptible to staining. Accidental spills or splatters from these harsh materials should be wiped off immediately, and the area cleaned thoroughly with a damp cloth. Examples of these materials are: Ceramic cooktop cleaners, tub and tile cleaners, chlorine bleach, oven cleaners, and harsh detergents.

For information regarding touch up and repairs please contact your local representative or call 02 9457 9622

Technical Specifications

NAVURBAN Wall™ roll size: 9850mm x 600mm

Made to Order Rolls will have a 10-working day lead time. Any orders for colours outside of the current offered will have a minimum order quantity applicable of 10 rolls.
