Anti-Discrimination Policy

New Age Veneers (NAV) is an "equal opportunity employer." NAV will not discriminate and will take "affirmative action" measures to ensure against discrimination in employment, recruitment, advertisements for employment, compensation, termination, upgrading, promotions, and other conditions of employment against any employee or job applicant on the bases of race, creed, colour, national origin, or sex.

NAV is committed in all areas to providing a work environment that is free from harassment. Harassment based upon an individual's sex, race, ethnicity, national origin, age, religion or any other legally protected characteristics will not be tolerated. All employees, including supervisors and other management personnel, are expected and required to abide by this policy. No person will be adversely affected in employment with NAV as a result of bringing complaints of unlawful harassment.

Sexual harassment is behaviour of a sexual nature that is unwelcome and offensive to the person or persons it is targeted toward. Examples of harassing behaviour may include unwanted physical contact, foul language of an offensive sexual nature, sexual propositions, sexual jokes or remarks, obscene gestures, and displays of pornographic or sexually explicit pictures, drawings, or caricatures. Use of the employer's computer system for the purpose of viewing, displaying, or disseminating material that is sexual in nature may also constitute harassing behaviour.

If an employee feels that he or she has been harassed on the basis of his or her sex, race, national origin, ethnic background, or any other legally protected characteristic they should immediately report the matter to his or her supervisor. If that person is not available, or if the employee feels it would be unproductive to inform that person, the employee should immediately contact that supervisor's superior or human resources. Once the matter has been reported it will be promptly investigated and any necessary corrective action will be taken where appropriate. All complaints of unlawful harassment will be handled in as discreet and confidential a manner as is possible under the circumstances.

The procedure for reporting incidents of harassing behaviour is not intended to impair, replace, or limit the right of any employee to seek a remedy under available Australian law by immediately reporting the matter to the appropriate Australian Government agency.
